TEAM ON TOUR

5 people: 4 dancers + 1 choreographer

SPACE

Ideally there would be 9m x 9m dancing space, surrounded by **seating for the audience on all sides**.

No dance floor is necessary. (However, if one is available, it would be appreciated. 9m x 9m would be ideal.)

SOUND

The Presenter must provide:

- PA System according to the size of the space
- Sound console (minimum input: 1 stereo channel for computer, 1 mono channel for voice)
- Source of electricity

Provided by the Company:

- 1 laptop computer
- 1 wireless headset and receiver (Sennheiser EW 100 G4)
- 1 vocal effects processor (TC Helicon VoiceTone C1)

SET-UP TIME AND TECHNICIANS

Set-up time per performance: around 30 minutes.
Build-down time: around 5 minutes.

LIGHT

No lighting is necessary for performances during the day.

For performances at night, we will adjust our lighting design to work in non-traditional spaces with limited technical resources.

DRESSING ROOM

We require space for four dancers, equipped with mirrors, showers with hot water, and materials for ironing.

LAUNDRY SERVICES

If show is presented on multiple days, the Presenter must provide laundry service to wash and dry the costumes between each performance day.

CATERING

Mineral water, coffee, tea, milk, fresh fruit, chocolate, dried fruit and nuts.

This show may be adapted to different venues.

Don't hesitate to get in touch with our staff if any questions arise.
